Declaration

We can confirm that the information contained within this questionnaire is a true record.

We can confirm that we will not participate in anti-competitive practices and collusion.

We agree that all personnel on site including lorry drivers delivering materials or hired plant/equipment to site must wear the following Personal Protective Equipment:

- Head Protection (Safety Helmet BS EN 397)
- Hand Protection (gloves suitable for task)
- High Visibility Clothing
- Safety Footwear (Safety Boots to BS EN 345-200 with mid sole protection to standard SB-P S1-P S3 S5) with adequate ankle support (no shoes or trainers)

We agree to that should we sub-let any works or services, we will ensure the 3rd parties comply and meet the standards and contractual arrangements expected of ourselves on any Francis Construction contract.

Signature	Name & Position	Date
